CIRCLE CUTTER WITH BLADES

This circle cutter comes from the concept of a compass. It can cut a circle with maximum 25cm (diameter). Blades can be changed once blunt.

It is user friendly.

PLASTIC SQUARE, OVAL, STAR HELP FRAME

Contains 4 objects in a set (2 square templates, oval and octagon)

This help frames can help to measure and cut the shapes accurately.

It requires help from Circle Cutter with Blades (refer to pg.24).

3D TRANSPARENT GLUE

3D transparent glue can stick the objects tightly.

Unlike other brands of glues, it dries slowly, so can spend time in completing artwork.

It can be wash by water if it sticks on skin.

It is acid-free glue.

3 IN 1 GLUE PEN

3 in 1 glue pen is used to refill the 3D transparent glue. It prevents hands from getting dirty.

MULTIPLE EMBOSSING TOOL SET

This set of tool is a combination of embossing pen (3 sizes), pricking needles (3 sizes) and precision knife (5 extra blades).

This tool is used to make parchment art.

TOPPIE GLUE PEN

This pen contains blue liquid which is glue.

Using this to write on the papers or cards then sprinkle the glitters on the words before it dries.

GLITTER POWDERS (10 COLOURS)

The glitter set contains 10 colours and the powder itself is very fine and sparkling. It does come with a container for storage purpose.

RIBBLE MACHINE

This little machine can fit A5 size paper. It crimps the paper to give line pattern.

FOAMPAD

It is a double sided tape with thickness of 3mm.

It contains 400 square pieces which has been cut evenly.

EMBOSSING PEN

EMBOSSING MAT

These 2 items can help to make 3D objects.

The embossing pen has 2 sizes.

The embossing mat is a soft mat.

The paper flowers can place on top of the mat then use the embossing pen to press the flower to make it 3D.

TWEEZER

Tweezer is a mini tool that comes in a special design which the front point has a perfect curve and it is fine enough to pick up tiny piece of paper easily.

PRECISION KNIFE

Precision knife has a “safety lock” behind. When pushing the blade out, it will lock the blade. Besides, it is very sharp.

PAPERS

A5 GLITTER CARDS (160GSM)

Contain 12 pieces of cards with 6 different colours (red, blue, green, silver, gold and white).

A4 DUO PAPERS (160GSM)

Contain 10 pieces of cards with 10 different colours.

Both sides of the card have different colours.
